Price list 2019

Cut length in cm	Cut length in cm	List Price in EURO	Order no.
98	40"	2.228	61808
118	46"	2.445	61812
153	62"	2.790	61816
218	86"	3.130	61820

Outstanding Features of the Flexo Futura Plate Cutter:

Cutting head is mounted on roller bearings running on steel tracks.
20 year warranty on the bearings.

Easy to change blade cartridges for switching between cutting materials in seconds.

Ergonomically designed cutting head makes it easy to use over long periods - comfortable for left or right-handed users.

The cutting head has two blade holders, a vertical cutter on the right hand side and a bevel cutter on the left.

New high performance slideway and head system uses Foster Keencut's SteelTrak technology.

NEW guided Safety Flexo Plate Cutter gives straight, clean cuts every time with no exposed blades. Minimize the risk of injury and re-makes from bad cuts. Lift-Arm mechanism allows you to easily position plates for precision cutting with no second-guessing on the location of the cut. Comes with replaceable self-healing cutting mat with grid sheet that provides firm cutting surface.

- Dual cutting head features both 45° bevelled edge and 90° perpendicular blade holders.
- Each blade holder is spring loaded and retracts when not in use.
- Standard medium-duty utility blades are easy to change.
- Felt padding on the underside prevents direct contact with plates.
- Available in 40", 48", 62" and 86" cut lengths.

Ideal for cutting

- Photopolymer flexo plates. up to 3 mm
- PVC Foam board up to 6mm
- Vinyl and plastic film
- Cardboard
- Corrugated cardboard
